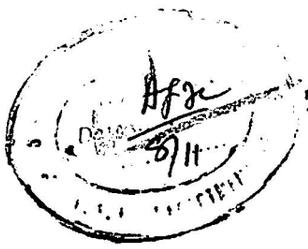
Sir,



Timber transit rules and rules for the control of Saw pits-including Kankanhalli Taluk under the-

---

The Movement of timber (control) order 1948 notified in Government Order No.A.F.5458-Ft.49-47-5 dated 2nd June 1948 was applicable to Kankanhalli taluk in Bangalore District . When this order was superseded by the notifications issued in Government Order No.AF.2180-Ft.45-49-2 and A.F.2181/Ft.45-49-2 dated 19th September 1949 making rules to regulate the transit of timber,firewood,charcoal and bamboos and for the control of private saw pits,saw mills etc., respectively,both being effective from 1-2-50, Kankanhalli taluk is omitted to be included in the scheduled areas under both the above Government Orders dated 19th September 1949. The forests of Kankanhally abound in good sized timber of second and third classes and there is much movement of timber from outside the State in this taluk. I therefore request that orders of Government including Kankanhally Taluk also in Bangalore District as one of the schedule areas under both the Transit Rules and the rules for the control of saw pits,may be kindly obtained and communicated to me very early.

Yours faithfully,
